

GILANG APRIANSYAH

WEB DEVELOPER

Bogor, Indonesia | gilangapriansyah0346@gmail.com | +62 882-1437-6136

My name is Gilang Apriansyah, born on April 3, 2006, in Bogor. I am a recent graduate from Adi Sanggoro Vocational High School, specializing in Software Engineering. I am passionate about web development and UI/UX design, striving to create user-friendly and visually appealing interfaces. Proficient in Microsoft Office and data management, I effectively handle various tasks.

I thrive in both team settings and independent projects, showcasing strong logical thinking and creativity. Committed to continuous learning, I am excited to take on new challenges and contribute my skills to impactful projects.
